

NEW SESSION!

OUR PROGRAM:

NinjaStars Karate is designed to give young children a head start in life! In this program students will learn essential life skills such as focus, respect, discipline, balance, memory, coordination, control and teamwork through fun martial arts drills!

Classes are held once a week at your child's school or childcare center.

Children will have a test and belt promotion ceremony at the end of each session resulting in a new belt/color rank. As your child moves through the ranks, they get to keep their belts!

(\$10 to cover belt and ceremony costs is included in fee)

OUR INSTRUCTORS:

Our qualified and trained instructors use a kid-friendly curriculum to build an "I can do it" attitude in all our ninjas! Every instructor is background checked and live-scanned.
